CARL WEBER

PRESIDENT'S MESSAGE

NOW that our four glorious years of study at Deering are rapidly coming to a close, we, the class of 1930, keenly feel the greatness of the value of the training which we have received. Our principal, Mr. Wing, and all our teachers have been untiring in their efforts to equip us with the qualities essential to success. They have labored patiently in order that we might be prepared to face life without fear of failure. Our debt to them is great; we must, and we will, do all in our power to prove ourselves worthy of their endeavors.

Many friendships have been formed here at Deering—friendships cemented through mutual success and failure. May they long endure and may they long be a source of joy and happiness!

We are now about to face life and to battle for our place in the affairs of the world. Many have gone before us; some have succeeded; some have failed. What are we to do?—Succeed! Success may mean many things, but let us always realize that there is no true success won unless it has been won fairly and squarely with no deviation from the just laws of God and Man!

HISTORY OF THE CLASS OF 1930

In September, 1926, Deering opened its portals to over 300 students who were to form the Class of 1930. We had settled down to the routine of duty, the class elected its officers.

In the fall of 1926, the annual Freshman Reception was held. The first part of the evening was taken up by a short program, and the rest of the evening was given over to introductions and dancing.

The Sophs proved to be very good in basketball and gave the upper classes some stiff competition. The team was made up of McKiniry, Huston, Mann, Redlon and Williams. The Sophomore Class as a whole was very successful in everything undertaken. They were looking forward to the next year when they would be able to take all the class competition and place their men on the varsity squads.

In 1928, the Junior Class came forth in all its glory. The class was well represented in the boys' varsity basketball team. The team was mostly made up of Juniors. Those who received their letters were McKiniry, Jordan, Williams, Favor and Mann. The class also received an honor by having "Talt" Williams placed on the boys' conference team. There were fifteen Junior girls on the varsity basketball team. Those who received their letters were Florence Jensen, Ruth Chambers, Lydia Titcomb, Helen Orr and Barbara Payson.

Several of the Juniors received letters in varsity football. They were "Ken" McKiniry, "Don" Favor and "Talt" Williams.

The Juniors were not content to shine in basketball and football only, but they felt that they ought to come forth in track and baseball also. There were five Juniors who made their letters in outdoor track: John Peterson, Jack Eaton, Neal Skillings, Palmer Peterson and Charles Brown. George Libby (Captain-elect) and Sherman Irving won cross-country letters.

We entered our Senior year with a new sense of dignity.

The girls' basketball team went through a very successful season under the capable leadership of their captain, Florence Jensen. The others who gave their faithful services and received letters were, Lydia Titcomb, Helen Orr, "Jackie" Jason, Dot Dunn, Elizabeth Farrington, Rozilla Morton, Lenore Lincoln, Florence Evans, Elizabeth Harmon, Elinor Paine, and Ruth Chambers.

The boys' basketball team this year deserves all the credit you can give them, and more, too. "Talt" Williams and "Mac" McKiniry made the Conference team. Also, remember the individual playing of "Don" Favor, Ray Davis, George Jordan and Loring Mann.

The baseball team was fortunate to have the services of one man for four years, "Fred" Plummer. The loyal Deeringites will long remember the playing of "Jake" Plummer, George Geer, "Ken" McKiniry and Ray Davis.

Although the football team didn't have a very successful season, they showed what they could do in the Thanksgiving game. The playing of "Ken" McKiniry, "Talt" Williams, George Jordan and "Don" Favor will long be remembered.

The year 1930 brought a champion's indoor track team to Deering. Those who will be remembered for their unceasing work are: John Peterson, Charles Allen, Palmer Peterson, "Ted" Brown, George Libby, Jack Eaton, "Dick" Estes, "Bob" Adams, Lewis Thompson, "Dan" Rose, "Don" Favor, Neil Skillings, Gordon Schumaker, "Bill" Griffiths, "Bill" Otis, "Nat" Haskell and Carroll Sullivan.

The Class of 1930 has been unusually successful in athletics. The loss of their strength and ability will be felt by the Class of 1931.

Immediately he responded to the teacher's question, "I dunno, I dunnare, I dunnavi, I dunnatus!"

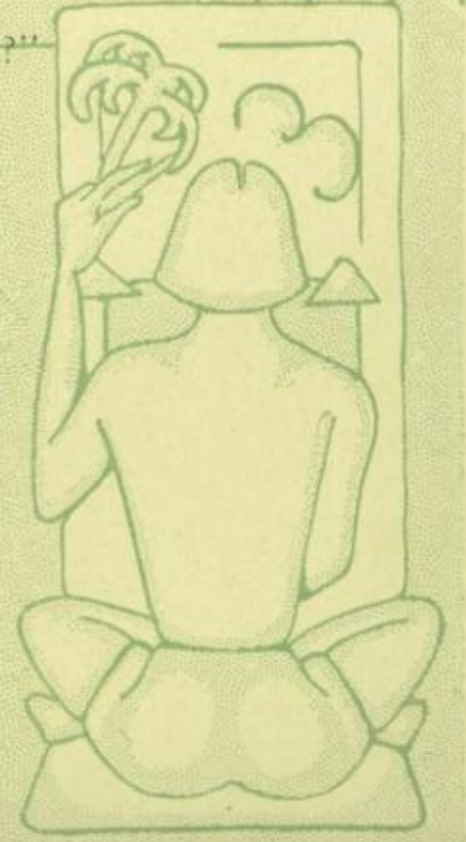

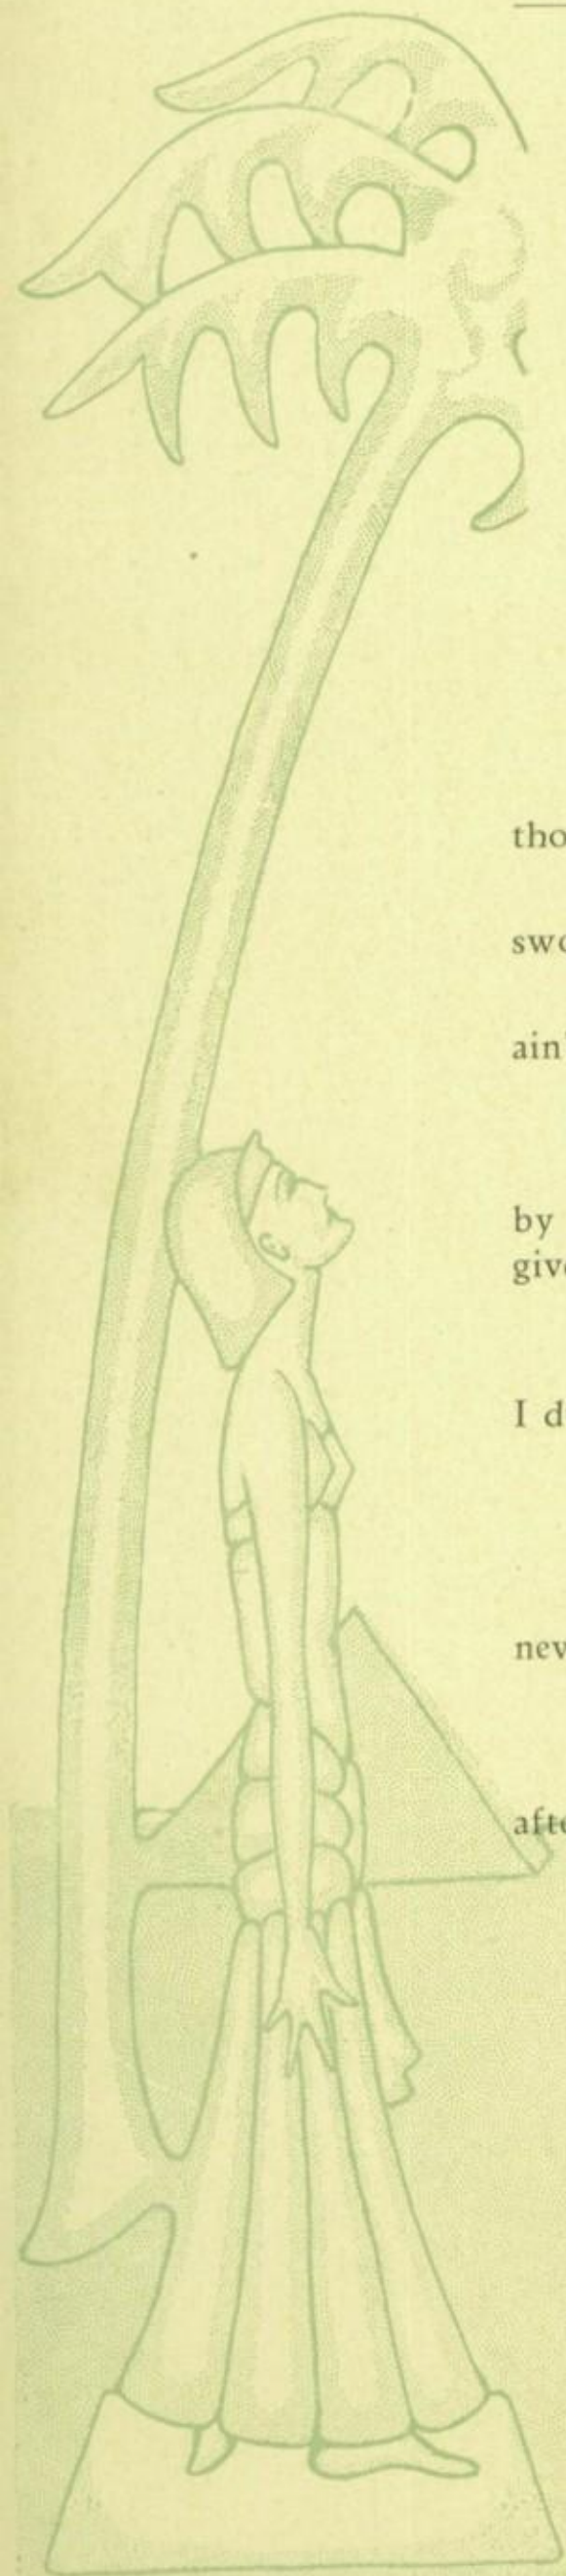

Eva Jacques: "And what do you think of my French, Madame?"

Miss Briggs: "Mademoiselle, but it is wonderful! In all my life, I have never heard anything like it."

Mrs. Wing: "I planted some bulbs last week and they came up three days afterwards."

Mr. Wing: "Great! Some patent fertilizer, I suppose?"

Mrs. Wing: "No, your dog."

NATIONAL HONOR SOCIETY

THE National Honor Society is one of the greatest honors that can be acquired in Deering High School. It is an ambition of every Senior. The faculty committee selects all members and in order to be eligible for this coveted honor one must be in the upper third of his class.

Other important requisites are leadership, character, and to be of real service to his school.

Not more than fifteen percent can be selected for this honor.

Deering High School was the first school in the state to receive a charter to this society, and our own principal was one of the organizers of it, and is also a member of the National Council.

Those chosen as members from the Class of 1930 are:

Gladys Knight
 Carolyn Adams
 Dorothy Dunn
 Charles Allen
 Leonard Hunt
 Carl Weber
 Florence Jensen
 Palmer Peterson
 Myrtice Soule
 George Geer
 John Eaton
 Eva Bisbee
 Dick Estes
 Elinor Paine
 Florence Evans

Ruth Stubbs
 Robert Adams
 Neil Skillings
 Clark Chapman
 Martha Geer
 Katherine Davis
 Katherine Hatch
 Reta Robinson
 Jeanette Jason
 Leonora Lincoln
 Elizabeth Farrington
 Frances Woodbury

LAST WILL AND TESTAMENT OF THE CLASS OF 1930

REALIZING that we, the class of 1930, are about to leave this vale of sighs and tears, do hereby make our last will and testament.

1. Since we have no more use for them, we leave to the Juniors the building, with its cupola; those never-ending sources of enlightenment, our books; and last, but not least, our mutual friends, the teachers.
2. To Mr. Wing and the faculty (not forgetting Scotty) we leave our heart-felt appreciation for what they have done for us.
3. Carl Weber places his laugh in Miss Hueston's care for any deserving member of her class.
4. "Art" Bonney leaves his art of breaking dishes to Dorance Coleman.
5. Frances Woodbury leaves her ability to play the violin to Edna Goodrich.
6. "Jack" Good donates his skill in politics to "Johnny" Callahan.
7. "Charlie" Prinn leaves the difficulties of collecting class dues to the next year's treasurer.
8. "Jack" Eaton leaves his track pants to "Tiny" Wade.
9. The boys of 209 leave the blackboard erasers to next year's inhabitants.
10. "Jackie" Jason leaves her baseball glove to Elizabeth Wescott.
11. "Ray" Davis and "Ken" McKiniry give their latest batch of biscuits to the track team to be used for shot-puts.
12. "Don" Favor leaves his power over women to Donald Alton.
13. Osgood Waite leaves his stamp collection to Philip Rhodes.
14. Florence Jensen and Louise Payson present their golf clubs to Myra Thomas.
15. "Bill" Otis passes the responsibility of his "Anti-Feminist" societies to "Dick" Campbell.
16. "Dick" Estes leaves the curtain cords in Mr. Linscott's room to his brother "Bob."
17. Eva Bisbee leaves her lack of interest in the male section of the class to Philena Chase.
18. Katherine Davis leaves her seat in the New England League ball park to Audrey Bond.
19. "Sonny" Rose leaves his Ford to anyone possessing ninety-eight cents.
20. "Charlie" Allen leaves "Even So" to "Johnny" Roberts.
21. While we, as a class, leave our old shoes to our successors, wishing them good luck in the almost hopeless task of successfully filling them.

Signed, sealed and delivered by all the members of

THE Junior Class started in with a fine number on the football team. Although they didn't all make the first team, the possibilities for next season are great. The team was very successfully managed by Phil Thorne, honorable president for this year.

After football came basketball, and with it more juniors. Juniors filled the gaps in both girls' and boys' teams, with many more on the "sub" team. As was the case in football, there are too many to mention.

Baseball came along on the heels of that indoor sport and again, or yet, juniors were prominent.

The numerous track teams were made up of great numbers of juniors, although they didn't "hog" everything. In connection with track we might say that Edward White is the next indoor track captain, and Bob Estes the next football captain. Estes was previously a member of a champ cross-country team.

The juniors were prominent in starting the *Purple Line*. The associate editor, Elizabeth Lincoln, is a junior. The advertising was solicited entirely by juniors, and juniors handled its distribution.

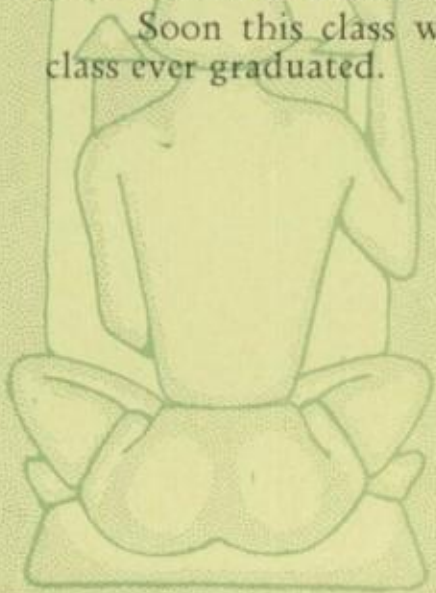

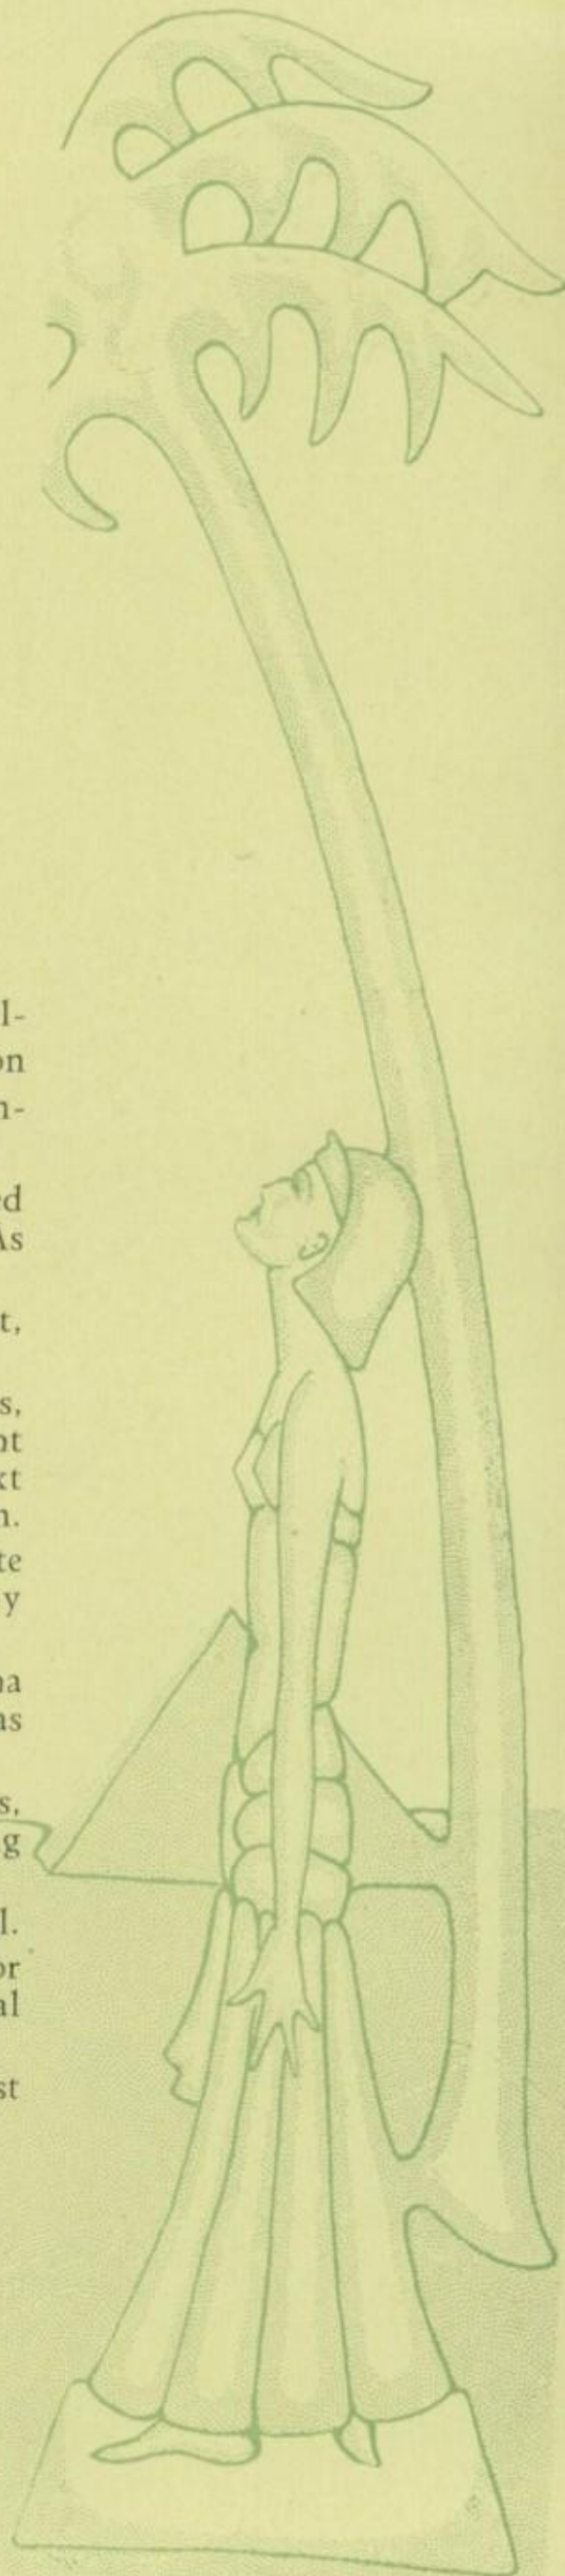

The prize speaking contest was full of juniors, among them Bertha Crocker, the second prize winner. Later in the year "Bee" came to the fore as the district winner in the National Oratorical Society events.

Among the other talkative members of the class was Margaret Perkins, President of the Debating Club, and member since a freshman. The Debating Club had a very successful season.

In the other clubs, juniors held offices and, in general, were very influential.

Among these was Frances Hayden, who, due to her fine work in the Junior Red Cross, received a trip to Washington. There she attended the National Convention as a Deering delegate.

Soon this class will become senior, and, without doubt, will be the best class ever graduated.

NOW that we are sophomores, we are anxious to tell you what we have accomplished this year.

Some of the fine talent of the sophomores was shown this year in football. We have proof of this because Richard Towle, Kenneth Withee and Thomas Heald all won their letters. They mean to do things next year.

The second team was made up of promising varsity material for next year. Among those out were Rufus Soule, Vernon Wily, "Bob" Neilson, "Bob" Morrill, Basil Latty, Earl Downs.

When basketball season opened, the gym was crowded with sophomores. Only one, "Phil" Clark, made the varsity. The second team was almost entirely made up of sophomores. Those were "Bob" Morrill, "Dick" Winslow, "Phil" Skillings, "Charlie" Geer and Rufus Soule.

Field hockey, a new game at Deering, was supported by the sophs.

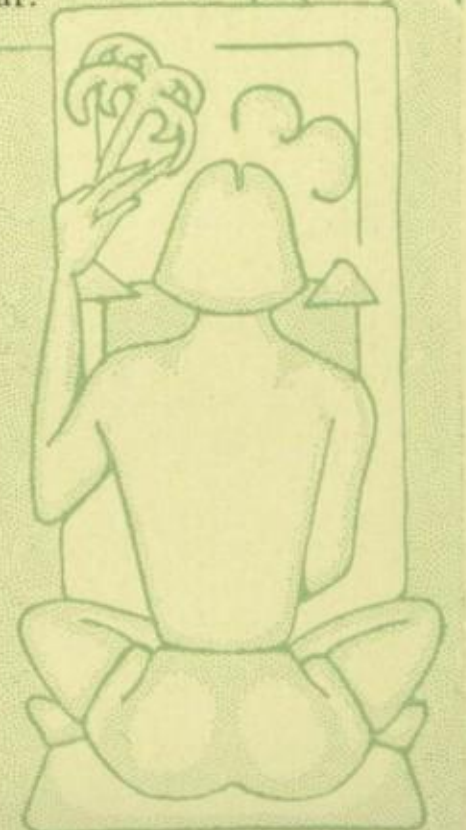

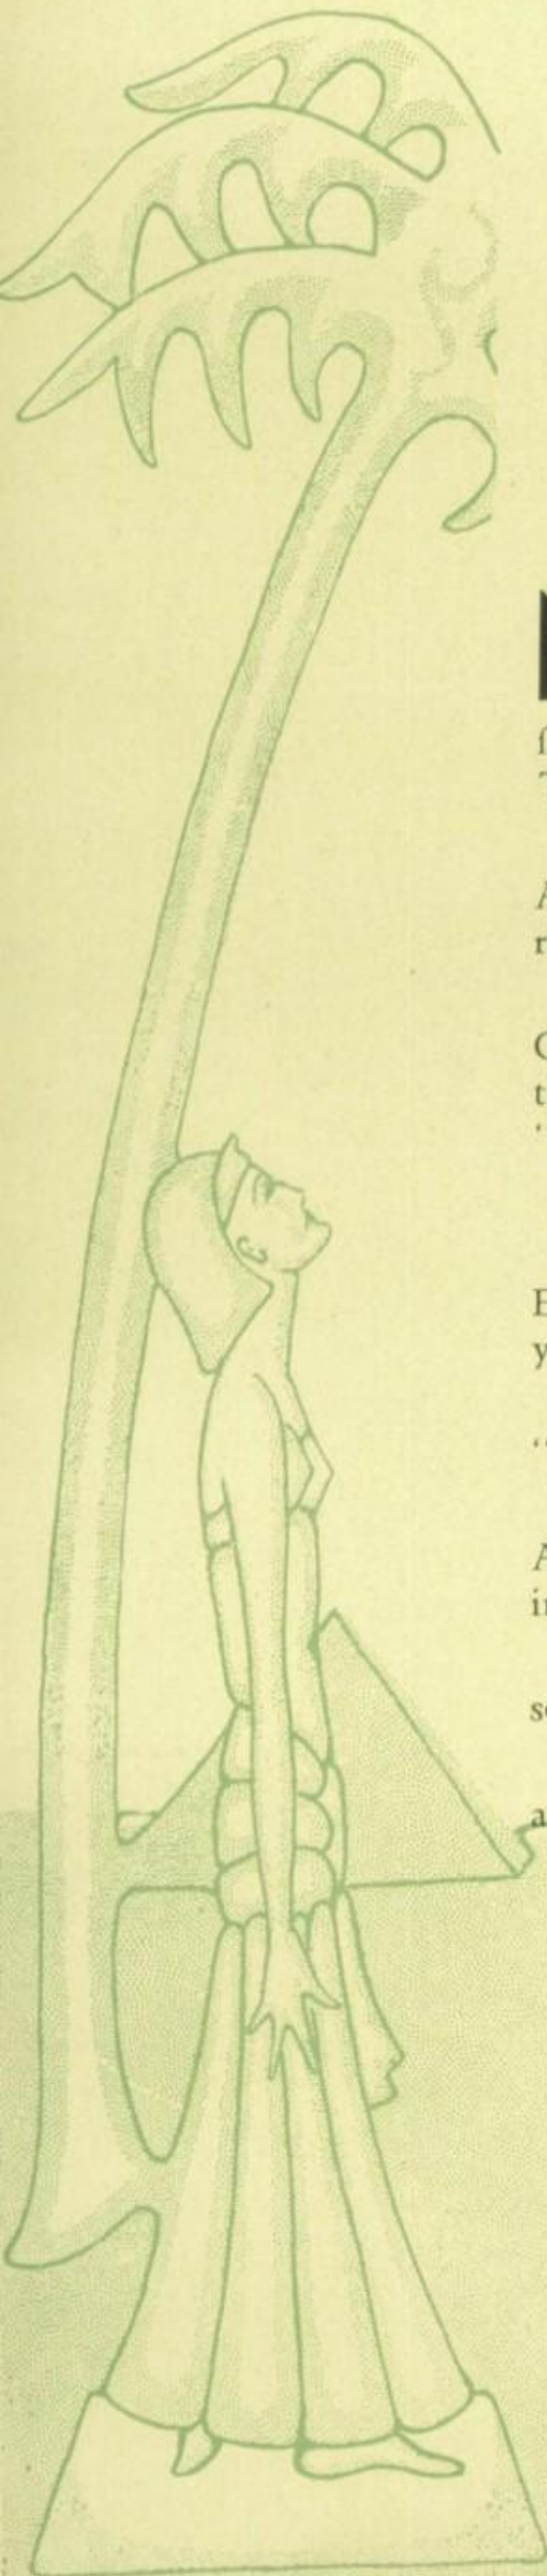

The girls' basketball team called only one sophomore, Elizabeth Wescott. Elizabeth was an important "cog" in this year's machine and is promising for years to come.

Among the sophomore veterans back for baseball are "Charlie" Geer, "Phil" Clark, and "Phil" Skillings.

The sophomores showed their strength in track by placing Jesson and Aaskov in cross-country, while Towle, Stahl, Billings, Lord and Morton ran in the indoor track meets.

In debating Ogilvie Harrison showed his talent and also representing the sophomore class.

The sophomores have had a very successful year in athletics and social affairs. They are expected to do things in the coming year.

THE Freshman Reception was held in the Deering High gymnasium, on Friday evening, November 22, 1929. In the receiving line were several school officials and class officers.

The program consisted of an address of welcome by Richard V. McCann; a violin solo, by Virginia Hagen; "The Place of Our Class on the Map of Deering," by Philip A. Smardon. A xylorimba solo was given by Barbara Corbett, and Virgil Bond spoke on "How It Feels to Be a Freshman."

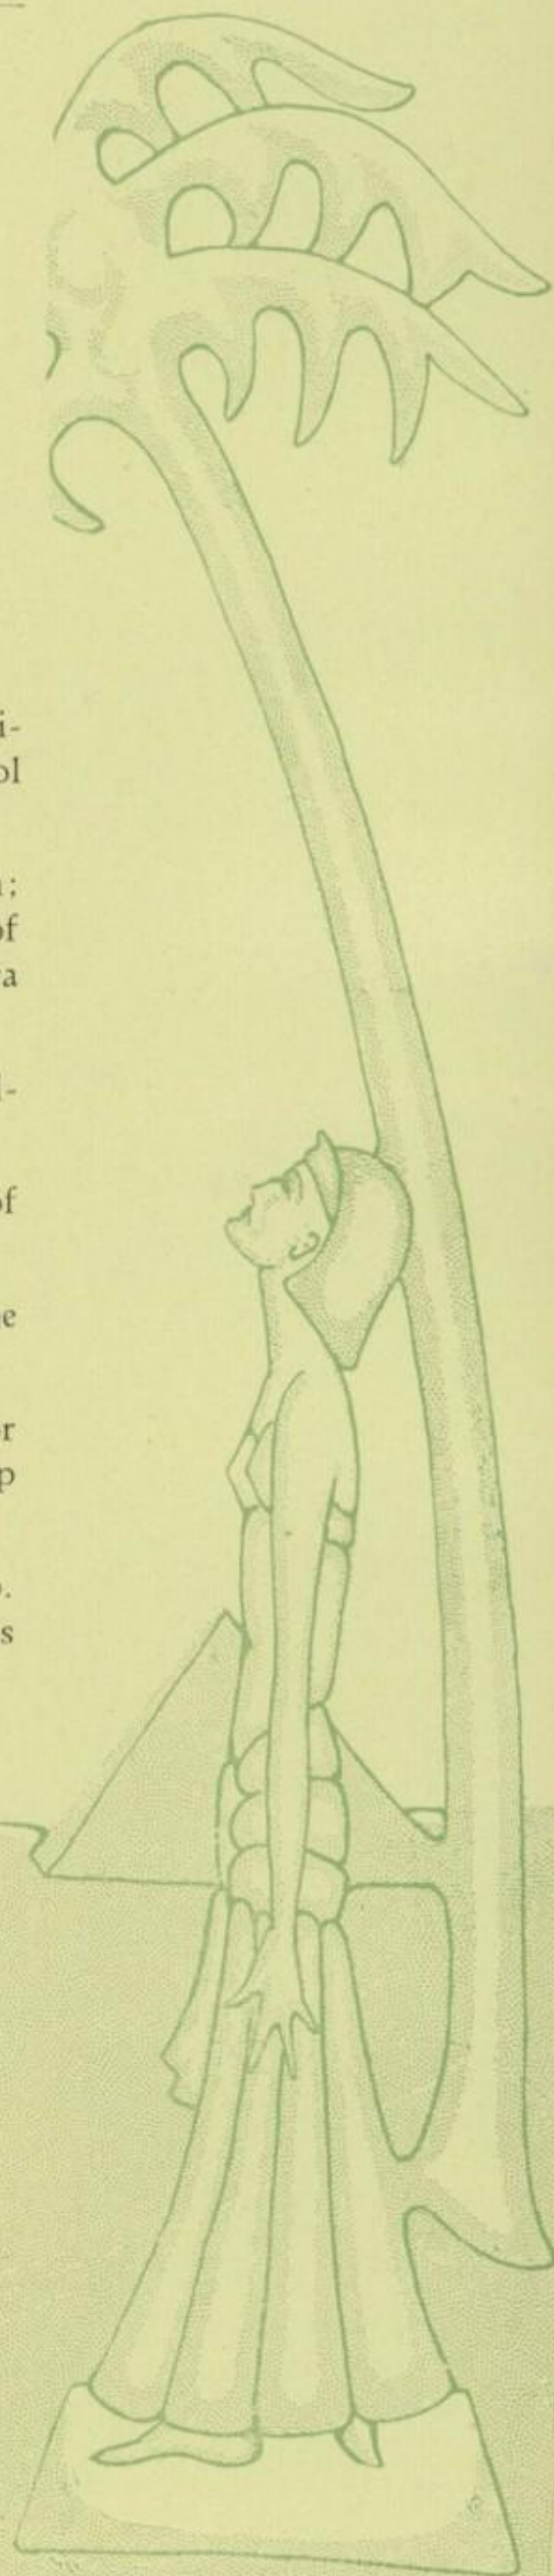

Then all the freshmen entered into the singing of the school songs. Following this, there was general dancing.

The freshman class this year consisted of three hundred fifty members, of whom fifteen received all E's the first quarter, and thirty-one the second.

Large numbers turned out for indoor and outdoor track, many making the teams. A great deal of interest was also shown in football.

Basketball held an important place in the minds of the freshmen and, for rookies, they showed quite a bit of snap. Seventeen of their crowd showed up for baseball, and not one has given up yet.

Fourteen freshmen joined the cadets, and eleven joined the Stamp Club. The class is well represented in debating and dramatics, and the orchestra has claimed twelve, while almost that number has joined the band.

1929 FOOTBALL GAMES

Out of three veterans of last year's football team, Coach Harvell built a team that, although it was not so impressive in scores, made a name for itself as a team with "fight." It outplayed many of its opponents, but due to bad "breaks" did not win. Despite this fact, this inexperienced team went out on Thanksgiving Day and accomplished that which even the most hopeful of Deeringites hardly expected—held Portland to a tie!

DEERING 27, WINSLOW 0

This game was considered as more or less of a set-up for the team; although the Winslow team was game to the end, they did not have a chance against the rangy Deering team which showed real flashes of power. The whole team seemed to work very well for a first game; although McKiniry was easily outstanding in his ability to break through the Winslow line.

DEERING 0, PORTLAND 27

In spite of the score, this game was very hard fought from beginning to end. The bitterness of feeling between the two teams made the playing rather rough at times, and there were many injuries on both sides. Again McKiniry was outstanding for his hard playing.

DEERING 35, MEXICO 0

There was not much competition in this game, as the score would indicate; it was merely a repetition of the first game, although the Mexico eleven was game.

DEERING 0, BIDDEFORD 19

In spite of the score, Deering outplayed Biddeford, scoring nine first downs to their eight. Due to "bad breaks" and consistent fumbling, the Deering eleven looked rather bad, although O'Neil played a good game at fullback, making many substantial gains.

DEERING 0, EDWARD LITTLE 19

The Deering team journeyed up to Edward Little to play this supposedly strong eleven, but it surprised nearly everyone in slightly outplaying them. The "breaks" were again against them, however, and they went home defeated in score but not at heart. Williams and O'Neil played well for Deering.

DEERING 7, SOUTH PORTLAND 26

Completely outclassed by the strong South Portland team, Deering nevertheless tried valiantly and was rewarded, in some measure, by having the distinction of being the first team, up to that time, to cross the South Portland goal line.

DEERING 0, WESTBROOK 6

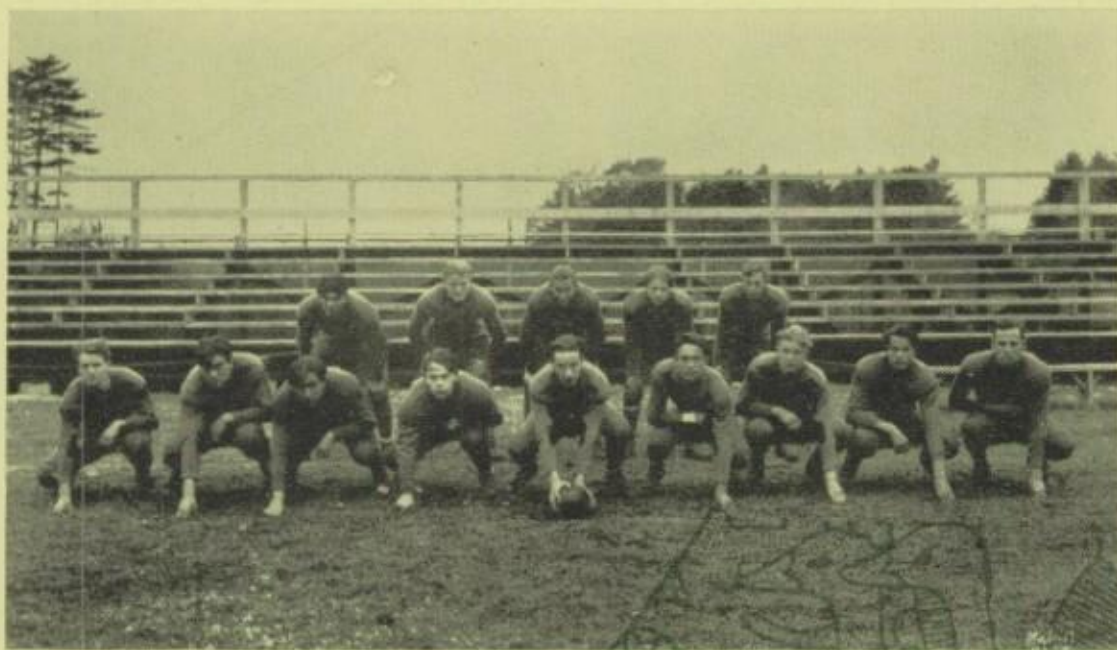

Although the Deering eleven completely outplayed the Westbrook team, they were robbed of two goals which should have counted. The outstanding Deering players were: McKiniry at center, Williams at quarterback, and Roberts, who played a nice game at end.

DEERING 0, PORTLAND 0

In spite of the fact that the Deering team had lost the majority of its games, it went down to Bayside Park on Thanksgiving Day and staged the greatest upset of the year by holding the unbeaten Portland eleven to scoreless tie. Not only were they held scoreless, but the inspired Deering team actually outplayed their strong rivals! The outstanding stars of the game, both defensively and offensively, were McKiniry and Favor, who were making tackles constantly to stop Portland's threats.

This was a fitting appetizer for a Thanksgiving dinner, and so pleased were the supporters of the team with the ending of the season that they gave the players a banquet at the Columbia Hotel.

Those receiving letters are Capt. Williams, McKiniry, O'Neil, Favor, Mann, Chenery, Roberts, Turner, Chapman, Withee, Towle, Bremen, Smith, Davis, Jackson, Jordon, Adams, Heald, Mgr. Thorne, and Capt.-Elect Estes.

BOYS' BASKETBALL

DEERING 36, ALUMNI 26

The Deering basketball team, with all veterans, started off the season with a rush by defeating the strong Alumni cluster by a good margin. The team showed prospects of having a good club, both defensively and offensively, for the future games.

DEERING 17, PORTLAND 14

For the first time in five years, a Deering team defeated a Portland High team in basketball! As the low score shows, this game was featured by close guarding and fast, furious playing. In spite of the fact that Deering was shooting with fair accuracy, they were very weak on foul shooting, missing many chances to score, while Portland made most of their free-throws count.

DEERING 29, BIDDEFORD 9

From the starting whistle to the final basket, this game was featured by fouls and rough playing which, at times, resembled football more than basketball. Although in the previous games, Deering was so weak on fouls, in this game nearly all of them were made to count. McKiniry at center and Williams at guard played well for our team, while Coronas was outstanding for the visitors.

DEERING 29, WESTBROOK 15

In the Westbrook team, Deering faced its strongest opponent so far this season. At first the result of the game could not be predicted, but in the last half the Deering team came back and swamped the Westbrook five with their customary late second-half attack.

DEERING 9, SOUTH PORTLAND 34

The Deering team was at its worst form the night of the South Portland game, due perhaps to the floor and to the large crowd. They simply couldn't get going with their old speed; they were completely outclassed by the South Portland quintette. Deering followers had up to this time been very hopeful of a victory, but from the very first they saw no chance of a Deering victory. The team as a whole was in bad form and there were no individual stars.

DEERING 36, BIDDEFORD 22

Just to prove that they were not discouraged and could come back after a defeat, the Deering five journeyed out to Biddeford and, under adverse conditions, administered a good spanking to the Biddeford boys. Although the game was very rough, Deering was so much superior to their opponents that they just wouldn't be beaten. The defeat of the previous week being over them and urging them on to a victory.

DEERING 34, THORNTON 13

Although the score was tied at the half at eight all, Deering's rangy five staged a usual second-half comeback and left the Thornton team far in the rear. Captain Williams was the outstanding player on the Deering team, scoring nine points.

DEERING 41, THORNTON 17

Disproving the theory that the Thornton team had been so much handicapped by our gym that they couldn't have made a good showing anyway, the Deering quintette traveled to Thornton and overwhelmed the Academy five by more than they had beaten them on our own floor. The stars of the team were McKiniry and Williams.

DEERING 33, WESTBROOK 21

Deering kept well up in the front of the conference teams by defeating the Westbrook five in a decisive fashion on their own floor.

Although Deering was never in much danger of losing, the game was made exciting by a rally on the part of Westbrook in the last quarter that boosted their score considerably. Woodbury, Williams, and McKiniry were the stars of the game.

DEERING 14, SOUTH PORTLAND 19

This was by far the most exciting game of the year for the fans to witness. Although it seemed that Deering was hopelessly behind in the first half, they came back in the second half with a whirlwind attack that mounted the score and completely baffled the South Portland five. However, the rally came a little too late, for the gun went off just a little after the Deering men started jerking up a score. It was a close, hard-fought game, starred by Davis, McKiniry, and Williams, all of whom played superbly.

DEERING 23, PORTLAND 27

This game was very unsatisfactory to the team in more ways than score. In spite of the fact that the team was not up to par in playing, they felt that they should have won this game handily, even though playing on a very small floor. However, the old dope bucket was upset and Deering was forced to hold the short end of the score. Woodbury and McKiniry were the outstanding players on the Deering team.

GIRLS' BASKETBALL

EXCELLENT coaching, a group of willing girls, and Deering's fighting spirit produced a team which will not soon be forgotten. The season was begun with six veteran girls in the line-up; however, two of our best players, Barbara Payson and Ruth Chambers, were lost before the season was over.

The Alumnæ game, 14-11, at Deering, proved successful for the Deeringites. From the moment the game was begun, to the time when the last whistle was blown, the game was fast, exciting, and close. During the last few minutes of play, Lydia Titcomb came through with several points to lead Deering to a hard-fought victory.

The season was officially begun when the team travelled to Sanford to beat them to the score of 39-2. Here a rugged, spirited team met us. But from the beginning of the game, Deering had control of the ball. Our forwards were able to pile the score up to thirty-nine points, while our guards held our opponents to ten points.

Another Alumnæ team, the Maine School of Commerce, invaded our gymnasium on January 11th. Elizabeth Wescott and Jackie Jason played a whale of a game in center; Helen Orr and Lydia Titcomb, our forwards, were at their best; and it was during this game that we began to realize that we had a "sharp-shooter" in our midst—Rozilla Morton.

The next week brought the Westbrook Community team to our gymnasium. Although their team is composed of older girls, Deering showed her superiority by whipping them to a score of 47-12.

Hard luck seemed to overtake Deering during the next week. At South Portland, we were forced to bow to their powerful aggregation with a 40-25 score. However, we left the floor with one consolation,—“We still have one more game to play with them, and that will be on our own floor.”

The fighting spirit which had been cooped up in the team broke forth during the next week. The girls ran away with Sanford's team, as may be seen by the score, 41-1. Many substitutes were used in this game, and they performed a fine piece of work.

Our greatest rival, Portland High School, was obliged to turn another victory over to the team. Deering's guards played a defensive game that did much to wave the score in our favor. “Betty” Farrington, one of our best guards, and Leonora Lincoln, one of our newer guards, held their opponents to a score of 22, while our forwards, with Helen Orr and Rozilla Morton in the limelight, piled our score up to 32 points against 22.

Mindful of the outcome of the last game with Coney, the girls went on the floor in rather a cautious manner; however, we took the lead at the very beginning, and, although threatened during the third quarter, we left the floor with another victory. Everyone on the team played fast, clean basketball and well deserved the victory of 22-18.

The next week the team entertained the Y. W. C. A. at its gymnasium. Although the visitors proved to be a strong defensive team, Deering swept over them to a wonderful victory of 38-22. The “subs” were able to show some brilliant playing during the fourth quarter. “Flossie” Evans, Deering's tall blond forward, heaved some pretty shots into the basket from far outside of the foul line.

At last that great day had come when Deering was able to avenge its friends from over the bridge. Lydia Titcomb, our new guard, played a great game for Deering in the territory, and later, as a forward, she was able to pierce South Portland's strong barrier to make several good baskets. Every member of the team should be congratulated for her wonderful spirit throughout the game. The score at the end of 32 minutes of hard playing was 31-27 in favor of South Portland, yet Deering left the floor feeling that she had won a real moral victory.

March 15th, we travelled over the well-beaten road to Augusta. Here we took over another victory for our school. The same fighting spirit of former games prevailed, and we came back to beat Portland High School.

Our wish came true and the team swept to a decisive victory over their old rivals to a 32-13 score. Rozilla Morton was our outstanding player; out of 32 points, 20 were made by her. Often the ball would come directly from Wescott's tap to the forwards and from there into the basket. In the guard territory, Elizabeth Harmon played a great game and held her opponents to a 13 score.

Although this meant the last game for thirteen of Deering's outstanding players, a long line of girls who are only in need of experience are in command for next year's call.

Those who, as a result of their splendid work during the past season, will be admitted to the "D" Club are: Elizabeth Wescott, Rozilla Morton, Elizabeth Farrington, Helen Orr, Lydia Titcomb, Florence Evans, Florence Jensen, Jackie Jason, Leonora Lincoln, Dorothy Dunn, Elinor Paine, and Elizabeth Harmon.

BASEBALL

DEERING, 13; ALUMNI, 4

Deering, in its first game of the season, soundly trimmed the strong alumni in an impressive fashion. The team showed real team work and power with smooth fielding, as well as good pitching. For a first game this promised a very good team with even hopes of being a contender for the pennant.

DEERING, 7; PORTLAND, 6

As the score indicates, this was another one of those nip and tuck Portland-Deering games which, if won, is well earned.

Due mostly to the superior fielding of the Deering team, although the whole team worked well, they were able to pull through with a win against their ancient rival.

DEERING, 27; SANFORD, 4

This game was little more than a stiff practice for the Deering nine against the weak Sanford aggregation. The team showed its customary good team work and speedy fielding.

DEERING, 14; SOUTH PORTLAND, 5

Although Deering had been performing in excellent style, the high score of this game was a great surprise to nearly everybody, as South Portland was rated as being one of the best in the league so far in the season. The hitting of the whole club was excellent, but that of McKiniry stood out, as well as his pitching. The pitching of Davis was also a feature.

DEERING, 4; THORNTON, 12

In their first loss of the season, Deering seemed to go all to pieces against a club which had been beaten thrice.

Although being defeated by such a large score, Deering possessed two stars who worked valiantly if in vain. The pitching of McKiniry and the brilliant fielding of Milliken stood out.

INDOOR TRACK

DEERING 31 $\frac{1}{3}$, BATES FROSH 40 $\frac{2}{3}$

Deering lost her first meet of the track season to a strong Bates Freshman team, but only till the final relay was the victory decided. The big star of this meet was Charlie Allen, who collected eleven points of the Deering score. Although suffering defeat, Deering's team looked very impressive in running up such a large score against a college team.

DEERING 94, PORTLAND 47

Meeting her old rival, Portland, Deering maintained her track supremacy by routing them to the tune of 94 to 47. Charlie Allen established a new gym record in the high hurdles by topping the timbers in the remarkable time of three seconds flat. All three of the relay teams won in handy style.

DEERING 91 $\frac{1}{3}$, SOUTH PORTLAND 49 $\frac{2}{3}$

Although Deering had been defeated by South Portland in both boys' and girls' basketball, the track team turned the tables and defeated South Portland decisively. Charlie Allen continued his habit of breaking records and set up a new time of 23 $\frac{4}{5}$ seconds for the Senior 600-yard run. The three relay teams again won, the Senior relay team lapping the Capers.

DEERING 33, BOWDOIN FROSH 44

At Bowdoin, our track team maintained its good record by holding the Bowdoin Freshman team to a low score. Not until the final relay, which was a thriller, was Bowdoin victorious.

By far the most outstanding performances of the meet were due to the work of Charlie Allen who won the 600, ran the relay and won the high hurdles. In the latter, his time was only $\frac{1}{5}$ of a second from the world's record.

Palmer Peterson also turned in a good performance in the high jump, leaping over the bar at the surprising height of five feet and seven inches.

DEERING 109, THORNTON 32

In their last home meet of the year, Deering ran up this high score against the Thornton track team. Among the features of this meet was the setting of a new gym mark in the 125-yard dash by White, and the lapping of the Thornton Senior relay team by our relay team.

FOUR CORNERED MEET

First, DEERING 57½
Third, PORTLAND 39

Second, SOUTH PORTLAND 44½
Fourth, THORNTON 13

The Deering track team ended a very successful track season by winning the four cornered meet for the second consecutive year. This is a feat that has never been accomplished before. Many records were tied in this meet by Deering men and some broken. Charlie Allen was the mainstay of the team, as he collected three first places as well as running on the winning relay team.

The following men earned letters: Captain J. Peterson, Allen, P. Peterson, Eaton, Robert Estes, Favor, Libby, Richard Estes, Rose, Skillings, Adams, Hobson, Haskell, Schumaker, White, Hamstrom, Thompson, Lord, Billings, Brown, Otis, Henry, Webber, Griffith, Stahl, Sullivan, Jordan and Manager Carpenter. White will captain next year's team.

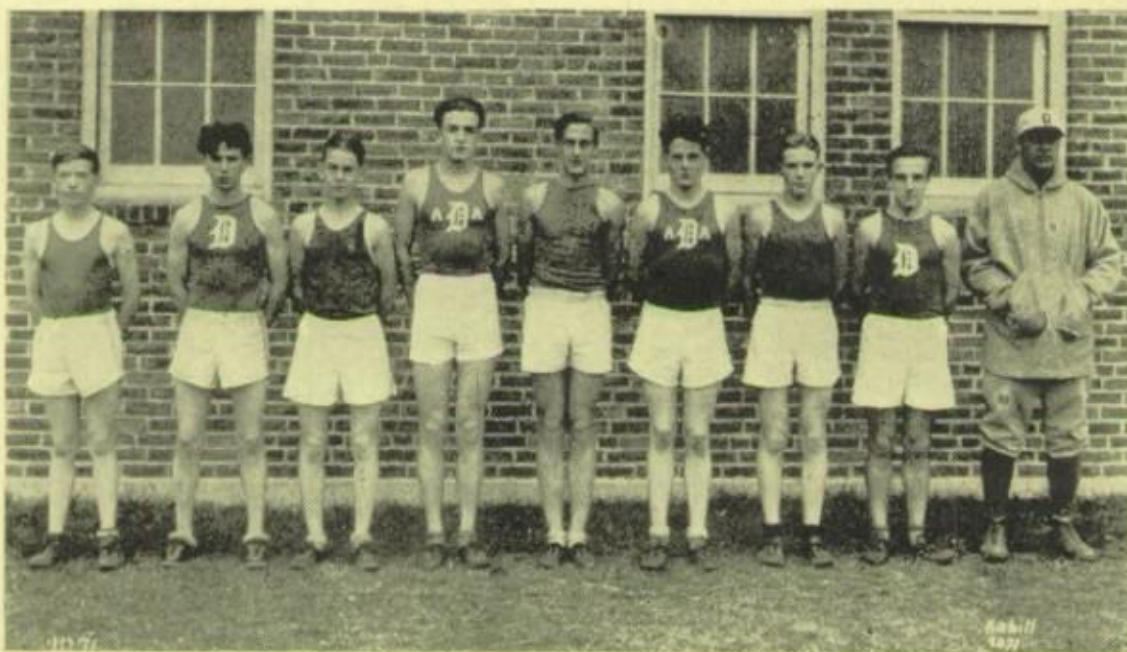

CROSS-COUNTRY

The Deering High cross-country team is still the state champion. The first call of the season brought out a small group of runners among whom were four veterans of the 1928 championship team. These were Libby, Estes, Rose, and Irving. Before the first meet, the team met up with several disappointments in the form of losses. One veteran gave up cross-country for football and two others became ineligible. Other disappointments were the cancellations of three scheduled meets which were to have taken place with the University of Maine Freshmen, Gorham Normal School, and with other New England high schools at the Harvard Interscholastics.

However, of the two races that did take place, Deering acquitted herself nobly with six green men. The Hebron score was 28-32 in favor of Hebron. This is the closest Deering has come to defeating Hebron. In winning the University of Maine Interscholastics, Deering placed a man second. This was Lewis Pierce who is now living at Reading, Massachusetts.

The 1929 letter men are: Captain Sherman Irving, Lewis Pierce, Carl Graves, Owen Blaisdell, Earl Aaskov, Neil Jessen and Stanley Madsen. Of these, all but Irving, Madsen and Pierce will be available for the 1930 team.

It is a Deering tradition that Coach Harvell's cross-country teams have never lost to a team in its own class.

FIELD HOCKEY

FIELD hockey activities at Deering in the fall of 1929 were most enthusiastic and successful. A large number of girls turned out for the afternoon practices. At the end of the season, class teams were selected and games arranged.

In the first game between the juniors and freshmen, the juniors showed their superiority by a 12-1 score. Ruth Hakins made five of the goals and her team mate, Margaret Libby, followed close behind with a total of four goals.

The second game, between the seniors and the juniors, ended in a victory for the seniors, the score being 8-2. Helen Orr and "Jackie" Jason showed that they knew where the goal posts were. This game started the seniors toward the class championship.

Next came the game between the sophomore and freshman classes. The sophomores were expected to win by a large score, but the freshmen surprised them with a well-fought game, so that the final score showed only three goals for the sophomore team.

After their escape from defeat by the freshmen, the sophomores rallied and won from the juniors 8-2. Elizabeth Wescott rolled the ball through the goal posts more often than any other girl in this game.

The greater experience of the seniors overshadowed the freshmen in the next game, although the freshmen put up a good fight. Lydia Titcomb and "Jackie" Jason played their usual good game. The score was 8-0.

The game for the class championship rested between the seniors and the sophomores. The evenly matched teams went forth on the muddy field of battle, each confident of victory. At the end of the first half the score was tied 4-4. It was not until near the end of this game that Rozilla Morton made the deciding goal that ended the season with the seniors happily claiming the class championship.

All of the girls on the winning team received their numerals.

TENNIS

TWO years ago, tennis, as a recognized school sport in Deering High, was in its infancy. In that year a tournament was held for boys and girls with the result that William Huston and Priscilla Hamilton were declared the winners.

This year there is an even greater interest in this sport; and, in addition to the usual tournaments, there is to be both a girls' and a boys' team. The members of the boys' team are Robert Adams, Aldwin Barden, William Huston, Nathaniel Haskell, Harold Lord, Herbert Randlett, James Ross, Lawrence Stoddard, Ross Stevens and Stewart Thoits. This team has games pending with Farmington Normal, Edward Little, Skowhegan, Kennebunk and Portland High School.

In addition to the practice given to the team, there is a class of instruction held each week for all girls interested in but ignorant of the mysteries of this game. At present, there are sixty-three members in this beginners' class sufficiently interested to attend faithfully each week. With this beginning, one can easily imagine to what heights this grand and glorious sport will rise in Deering High School.

THE DEBATING CLUB

THE Deering High School Debating Association has just closed a very successful and active year. The purpose of this club is to promote debating and an interest in it in the school, and this aim has been achieved.

The programs at the bi-weekly meetings have been both enjoyable and instructive. One of the outstanding events of the season was the Debating Club Dance, held in the gymnasium on the evening of December seventh.

This year the club sponsored from among its members a varsity debating squad composed of eight members, whose pictures appear below. Margaret Perkins, Eva Bisbee, Bertha Crocker, Dorothea Smart, Bond Perry, Nathaniel Haskell, Ogilvie Harrison, Donald Alton. From this group various teams were selected to represent the school.

The club was well pleased with the work of the teams representing the school in the Bates League. The question debated was, "Resolved: That the Jury System Should Be Abolished in the United States." Deering affirmative composed of Margaret Perkins and Bond Perry defeated the negative from Rumford while the Deering negative, composed of Eva Bisbee and Nathaniel Haskell, defeated Jordan High. Ogilvie Harrison and Donald Alton were alternates on these respective teams.

These victories gave Deering the right to enter the semi-finals at Bates College on April 18th and 19th. Here our affirmative team, composed of Margaret Perkins and Bond Perry, won a unanimous decision from Cherryfield and Margaret Perkins was elected best speaker. Our negative team, composed of Nathaniel Haskell and Eva Bisbee, met a two to one defeat at the hands of Anson Academy which continued on to the finals and defeated their next opponents.

The latter part of April, two teams from Mexico High were entertained. The same subject was debated without decisions being given. Our affirmative team was made up of Ogilvie Harrison and Bertha Crocker; the negative team, of Eva Bisbee and Dorothea Smart.

On May 22nd, we entertained Thornton, debating the same question, and our affirmative team was composed of Ogilvie Harrison and Bertha Crocker; the negative team, of Dorothea Smart and Donald Alton.

Other debates with other schools have been planned but cannot be recorded in time to go into this issue of THE AMETHYST.

THE PURPLE LINE

Early in the fall it was decided to fill one of Deering's urgent needs, namely, a school paper. At first it seemed advisable to model the new edition after the old *Breccia*, but after due consideration, it was thought better to have a bi-weekly newspaper.

A contest to select the name for the new paper was held in which the whole student body was invited to participate. The contest was won by Elizabeth Peterson. The name she selected was *The Purple Line*. Frederick Larrabee was the winner of the heading contest.

During the school year, fifteen issues of the paper appeared. Besides the regular news which happened each week, the features of the paper were the columns headed "Prominent Deeringites" in which short sketches of outstanding students together with their pictures appeared and also the column devoted to exclusive classroom activities of our students, which was known as "The Scrap Bag."

Deering has long needed such a publication as *The Purple Line*. *The Purple Line* has been successful during its first year, both from an editorial and financial standpoint. The paper appeared regularly in the home rooms every other Friday. The large number of student subscribers shows how well the paper was appreciated.

The staff members have been most helpful and efficient in fulfilling their duties and believe that they have laid a good foundation for those who will succeed them. The business staff has been responsible for its financial success and will close the year with a financial nucleus for next year's paper.

"D" CLUB

President, CARL WEBER

Vice-President, HELEN ORR

Secretary, FLORENCE JENSEN

Treasurer, CHARLES PRINN

THE "D" Club, composed of letter students in Deering High School, is one of the most prominent clubs in the school. The object of the club is to advance interest in school activities, and to establish good sportsmanship among the students. The "D" Club is the authority on all questions of sports within the school. It authorizes to what sports letters may be given, and the size and description of the letter. Only students who have participated and won the letters in the major activities are eligible for the club.

In the past two years, the "D" Club has done much for the benefit of the school. It has also held many social functions. There is an annual dance around Thanksgiving vacation. The proceeds of the 1928 and 1929 annual dances have gone into a new score board for the football field. The club also sponsors an athletic assembly.

In 1928, the entire club aided in the buying of four hundred trees to surround the athletic field. Not only did the members buy the trees, they also planted them. For two years the club has conducted the election of Mayor of Deering High and Mayor's Day Rally. At least once during the football season, a committee is appointed for selling peanuts and popcorn at a football game.

In all, the "D" Club has done its best to form a more perfect organization, to establish more interest in school activities, and to better the general welfare of the school.

JUNIOR RED CROSS

EVERY member of the school is eligible to join the Junior Red Cross. In the fall, the plea for membership comes, and by paying one cent or more, you become a member for the entire year.

Each home room is represented by a chairman who, with Miss Hall as an adviser, carries out the projects. The most important work of this organization is holiday cheer for the hospitals and homes in the vicinity of Portland.

We have exchanged portfolios with foreign chapters and some of the members have assisted the Senior Red Cross.

This year a delegate was sent to Washington for the Junior Red Cross Convention.

Taking all in all, this organization has been very active this past year, and we hope that it will continue doing just as much good in the future.

THE DRAMATIC CLUB

President, DONALD LOVEDAY

Vice-President, MARTHA GEER

Secretary, WILMA PERKINS

Treasurer, CLIFFORD GAILEY

Coach and Faculty Adviser, MISS HUESTON

Assistant Coach and Faculty Adviser, MISS HAMBLIN

DRAMATICS have played an important and prominent part in 1929-30 D. H. S. activities. The Dramatic Club has sponsored plays and stimulated interest in its work throughout the school year.

As evidence to the popularity of dramatics in Deering, over one hundred students turned out and joined the club.

Every two weeks since the first of the year a business meeting has been held in the auditorium, followed by a short play. These plays have been excellently coached by Miss Hueston and Miss Hamblin. As the cast is selected from members of the club, everyone has an opportunity to test his theatrical abilities. The enthusiasm has not waned, but has rather increased with the successive presentations of new plays.

Several members of the club proved to be exceedingly successful in the play entitled, "The Suicide Specialist," which was given in November.

Miss Hueston and Miss Hamblin have worked enthusiastically and incessantly for the welfare of the club. Under their able direction, each member has obtained a wider knowledge and a more intimate understanding of the theatrical world in general.

STUDENT SERVICE CLUB

THIS year the Student Service Club has been made up of eighty members, consisting of two from each home room. This club is an indispensable association, and meets every Tuesday morning, with Mr. Wing acting as chairman.

The duties of this student organization are: to act as guides for new pupils and visitors, to do errands for the office, to collect attendance slips, and to make known the wishes of the students to the principal, and vice versa.

This year, as never before, the Student Service Club has truly upheld its motto, "To Serve," and has maintained the ideals of good citizenship.

GEOLOGY CLUB

THE Geology Club was organized for the year, January 14, 1930. An election of officers was held. Clifford Gailey was elected president; John Hamilton, vice-president; Doris Baker, recording secretary; Arthur H. Bonney, Jr., corresponding secretary; Richard Valadares, treasurer.

Although the club got a late start, there were a large number that joined the night of the first regular meeting.

Meetings are held every two weeks. Talks are given on things of geological interest, as well as on astronomy.

The members have had an opportunity to observe the moon and several other planets through the telescope. They have also learned the names of various constellations.

A dance was given by the club May 10th. The proceeds of which are used to buy interesting things for the club.

A trip to Acadia National Park at Mount Desert is planned. The group will spend the week-end there climbing various mountains and enjoying themselves in the outdoors. Other trips are planned to show the members how interesting geology really is.

PHILATELIC ASSOCIATION

President, GEORGE BROCKWAY
Vice-President, FRANCIS BENJAMIN
Secretary, PHILIP SMARDON
Treasurer, DORRANCE COLEMAN
Programs, EDWIN BENJAMIN

On a day in January, 1928, several freshmen were expectantly waiting to see Mr. Wing. One of them held a petition, signed by fifteen members of the class, for a stamp club. Mr. Wing consented and the Deering High School Stamp Club was formed, with Mr. Ochampaugh as faculty adviser. The first president was George Brockway, and Philip Clark was secretary and treasurer. Several philatelic organs were subscribed to, and the members considered it a very successful year.

The next year Mr. Peterson formed the club which by vote changed its name to the Deering High School Philatelic Association. This year Philip Rhodes was elected president. Mr. Stack was given an honorary membership, as were Mr. Jewell, Mr. Ochampaugh, and Mr. Wing. To complete best year in members and accomplishments, an exhibition was given in the library.

We opened this year early, with Mr. Peterson again serving ably as faculty adviser. The membership has increased to a greater number of attending members than ever. Rhodes was again president for the first term and in the February election the present offices were formed. A very profitable dance was given in the gym, February 27th, and also a few stamps were then exhibited.

In May, the club had a very fine exhibition, in which there were many prizes given, made financially possible by the dance. Several books were purchased and some magazines published in interests of philately were subscribed to. In December of 1929, the club gave a sum of money to the Express Santa Claus. Also, in December, a hand-painted color chart was purchased for instruction in stamp colors.

Next season, the club expects to enlarge membership and, what is hardly possible, a more successful year.

CAMP FIRE GIRLS

President, MABEL SHERMAN
Vice-President, VIRGINIA ELLIOTT
Secretary, RUTH KIDDER
Treasurer, CHARLOTTE JONES
Song Leader, BETTY JORDAN

THE Stantaki Camp Fire Girls of Deering opened their season this year with much enthusiasm. Several new members joined the group and helped to make 1929 and 1930 the best season ever.

The club meets every Tuesday noon in Room 111 for short business meetings and for the purpose of planning our activities, and nearly every Friday or Saturday night for working on the project then engaged upon. The club goes on hikes frequently. The council fires, at which honors are given, are held once every two months.

By selling peanuts and popcorn at the Westbrook-Deering football game, and candy at the Dramatic Club play, money is being earned for expenses and a camping trip in the Spring.

THE ART CLUB

THIS year the Art Club has had a large enrollment and has outlined a number of projects which proved to be incentives towards developing a more professional attitude in our every-day art problems.

The meetings are held every Thursday afternoon in the art room, and after the business meetings are over, a program is given by the club members. The students themselves give talks on the different kinds of Art, such as Oil Paintings, Frescoes, Etchings, Fashion Design, Charcoal Drawings, Still Life, and Block Prints. In this way, the club members are given an opportunity to become better acquainted with the different branches of Art.

Sketching trips and picnics are among the many outings that the club enjoys, and during the year the Hayloft and the Art Museum are visited.

Every year the Art Club sponsors an assembly program in the auditorium. These assemblies are very successful and are awaited with keen interest by all. They usually consist of a play or pageant. This year a Marionette Show was given.

The officers for this year are:—

President, FRANCES WOODBURY
Vice-President, ANNIE MCTIER
Secretary, ROBERTA WRIGHT
Treasurer, FREDRICK LARRABEE

Executive Committee

Chairman JUSTINE WITHAM PHILIP MORRELL BERYL KENNEDY

THE ORCHESTRA

THE orchestra, one of Deering's most active organizations, has won distinction not only in Deering, but in all Maine. It furnishes music for the assemblies, and for many other school events, such as the Freshman Reception, the Dramatic Club Play, and the debates.

Besides assisting the various school activities, the orchestra appears on many outside programs. This year the orchestra played for the Teachers' Convention at Keith's Theatre, and its fine work gained a reputation not only for the orchestra, but for the school.

One of the most important events on the orchestra's schedule is the annual concert. It was at this time that the skill and training of the orchestra was demonstrated. The concert was followed by a dance.

There are fifty musicians in the orchestra, and all classes of the school are represented. The members of this organization are as follows. Violins—Frances Woodbury (concert leader), Marjorie Hanscome, Edna Goodrich, Virginia Pennell, Doris Maxim, Byrl Kennedy, Virginia Burnham, Dorothea Perry, Frances Cressey, Harriet Clement, Charles Geer, Cecilia Blake, Lydia Farrar, Virginia Hagen, Lillian Winn, Alice Dupee, Mildred Stevens, Roger Brackett, Margeritte Knight, Carlton Brown, and Irving Humphrey. Cellos—Katherine Hatch, Beatrice Pennell, Elizabeth Owens. Bass—Marjorie Hodgkins. Clarinets—Roger Calderwood, Dexter McCausland, Rutledge Morton, Donald Haskell, Ross Stevens. Oboe—Clinton Graffam, Jr. Cornets—George Geer, Lowell Hardy, Frank Farwell. Trombones—George Turner, Carl Randall, Norma Wiggin. French Horn—Ogilvie Harrison. Tuba—Raymond Davis. Tuba Bass—Ray Davis. Baritone—George Turner. Saxophones—Edgar Jones, Vivian Willey. Bells—Rozilla Morton. Xylophone—Barbara Corbett. Drums—Clinton Lunt, Donald Loveday. Piano—Nedra Blake, Raymond Lord. Librarian—Raymond Lord. Manager—Clifford Gailey.

THE BAND

1929-1930

THE Deering High School Band passed through another successful season under the careful guidance of Mr. Frank Stack, a member of the faculty, who has done much to stimulate interest among the boys, and built up a bigger and better institution. We have been very fortunate in having daily instructions from Mr. Frank Rigby, well-known local band master; not only has he succeeded in welding the band into one harmonious unit, but he has also given individual attention to those most needing it.

This year the band made an early start and was able to play at all the home football games. At the close of the football season, it started playing for the basketball games and ended the indoor athletic season by furnishing the music at the Four-Cornered Track Meet held at the Exposition Building. This is the first time that any one school has had the honor of playing at such an occasion, and we feel deeply gratified.

The band finished a busy season by giving a concert at the Cadets' Ball, and by furnishing the music for their manœuvres, by playing at the Woodfords Congregational Church's Indoor Circus, and by playing at the Senior Class Play.

Although several of the best and most experienced members are graduating this year, there are younger fellows to step into their places, and the band looks forward to another successful season next year.

THE BOYS' SINGING-HARMONICA BAND

It was the last of January that the idea of a harmonica band in Deering High School was started. After consideration, it was decided that the band should take the place of the regular boys' glee club and would be known as the Boys' Singing-Harmonica Band, receiving its name from the fact that part of the time would be devoted to singing and the other part to playing. Roger Calderwood was appointed chairman of the committee, who had charge of purchasing the instruments, books, and posting notices. This organization was the first of its kind in the school, and quite a few boys became interested. Through a misunderstanding, some boys who otherwise would have joined, believed that members had to be experienced players, but the error was not discovered in time to remedy. The members have been rehearsing on Wednesday noons at 1 P. M. in the music room, and have been working hard that they might have as good a band, if not better than that of Albert Hoxie, who so royally entertained the school last year with his band.

The seventeen members of the band are Bradford Bonny, Donald Favor, Elmer Sisco, Curtiss Perry, Parker Tobin, Allim Osterberg, Charles Marble, Phillip Morrell, Donald Welch, Albert Haggas, Frederic Allen, Richard Bradbury, James Metz, Edward McDonald, Irvin Landean, James Madsen, Richard Walker, with Roger Calderwood, piano accompanist, and Richard McCann, accordion.

GIRLS' HARMONICA BAND

THE Girls' Harmonica Band is a new organization in Deering, having been established only a few weeks. A large number of girls came out for the band, and with the help of the leader, Miss Bartlett, great progress has been made. Many old songs have been learned, and now the band is transposing some of the popular songs into harmonica music and learning them.

There are many underclassmen members, especially sophomores and freshmen, and, therefore, if these girls continue in this club while they are in Deering, there seems to be no doubt that Deering will have a fine harmonica club for years to come.

The club meets every Wednesday noon in the gymnasium. The officers for this year are president, Jeannette Jason; vice-president, Elinor Paine, and treasurer, Florence Evans.

THE ANTIQUE CLUB

President, LUCILLE DUNTON

Vice-President, ELEANOR ROSS

Secretary and Treasurer, MARY O'NEIL

Faculty Adviser, MRS. RACHEL BAKER

THE Antique Club was organized in the school year of 1928-29 by Mrs. Baker for the purpose of studying antiques. The club holds its regular meetings at the homes of the members.

Those belonging to the club keep notebooks and programs at the meetings on different subjects. The subjects they have studied this year include: Chippendale, Sheraton, Hepplewhite, Adam and Empire furniture; Banjo and Williard clocks, Paisley shawls, lace, Stiegel and Sandwich glass, old dolls and doll furniture, Staffordshire and Wedgewood pottery and old magazines.

The club made several trips to interesting places during the year. They visited the Old Bailey House, the Maine Historical Society, Swett Memorial Museum, F. O. Bailey's, the Treasure House and several exhibitions of antiques.

WASHINGTON CLUB

The club got an early start and was organized in two meetings. Elections were held: Loring Mann was elected president; Arthur H. Bonney, Jr., vice-president, and Donald Favor, treasurer.

Many interesting meetings were held to help prepare for the trip to Washington, D. C.

ANNUAL WASHINGTON TRIP, APRIL 25-MAY 3, 1930

Theme Song: "Minnie, the Mermaid," a love song in fish time.

Song of the Chaperons: "I'm Following You."

Song of the Bus Drivers: "I'll Get By."

Outstanding Features: Buns, buses, steps, apple pie, ice cream and chicken.

A few voices were lost on "St. James Infirmary."

Mr. Emmons took his accustomed place as conductor of the trip, with Miss Mira L. Dolley, Miss Leola B. Chaplin, Mr. Fred P. Hall, Jr., and Mr. Ralph V. Morgridge as chaperons.

The group boarded the train at Union Station, after being "shot" several times by camera men. The party arrived in Boston to be taken directly on a sight-seeing trip through historic Boston and Cambridge. From this to Fall River, where the boys, girls and chaperons went aboard the good ship, *Providence*, to prepare for dinner.

The group got off the boat and onto the ferry, which took us to Jersey City, thence to Philadelphia by train. Buses met the party at the station and took us on an interesting trip to Curtis Publishing Company and Independence Hall. A lunch at Green's Hotel refreshed the group for a sight-seeing trip through the Quaker City.

The clean-looking Capital City greeted us with arms opened wide. The evening was spent very enjoyably by the members of the group.

Sight-seeing buses took the party on a trip to the Arlington National Cemetery. We then went to Hoover's Flying Field, where an opportunity was given for those who wanted to go up in an airplane. An interesting trip was taken in the buses during the afternoon to Annapolis. The evening was spent by the party in looking through the beautiful Library of Congress.

After devouring the morning feast, we enjoyed the wonderful program presented to us, which consisted of a visit to the United States Capitol, the Senate Office Building, the Pan-American Building, and the White House. The afternoon was delightfully spent at Mt. Vernon, the home of George Washington.

Tuesday morning we all woke up as usual and were anxious to start for Luray Caverns. We assembled at 6.45 A.M. to leave in buses for the Caverns. Two hours were spent in seeing the wonders of the great cave. We then left for Washington over the Massanutten Range, through New Market and Winchester. Dinner was eaten in the Hill Top House at Harper's Ferry and was followed by an entertainment of negro spirituals sung by the dining-room crew.

The seventh day proved very interesting because of the trip to West Point, where we visited the United States Military Academy buildings and grounds. We viewed infantry drill and dress parade. We had our first touch of rain on the return trip.

Friday morning was spent by most of the group in shopping. Buses collected us at the hotel, in the afternoon, for a sightseeing trip through the residential and business sections of New York. The tour ended at the Aquarium, where we saw many strange fish and water animals.

Everyone can assure the last year's group that their hopes came true, and we extend it to next year's class by saying that, if it is possible, we hope they have as good a time as we did.

THE CADETS

THE Cadet Corps is one of the oldest organizations at Deering. Years ago the Cadets had a rifle range. Rifle teams were established which made national records for themselves. Besides the rifle range, there was a yearly spring encampment to add to the various other pleasures, the Ball included, connected with this military activity.

The state of affairs at the present time is very similar to that of the past except that an unfortunate accident caused the rifle practice to be discontinued. Now, as then, the big event of the year was the Drill and Ball. The spring encampment is still a big feature. The government reservation on Cushing's Island has been the location of the camp. Five or six days are spent there, five or six days of real army life.

Usually, the Cadets make four public appearances: Armistice Day, Patriots' Day, Memorial Day, and the Cadet Ball. Picked details are generally sent each year to Junior High to put on exhibition drills. The Drill and Ball is the main event of the season. Here, cups are awarded for the best company and the best battalion. In addition to these two awards for company and battalion proficiency, judged by competitive drill, there are personal cups for both the commissioned and non-commissioned officers. Both Deering companies did excellent work at the Ball on May 9.

The Deering Battalion consists of Companies "A" and "D," numbering this year about sixty men and officers. The personnel of commissioned and non-commissioned officers includes: Lieutenant-Colonel Newell Cole, commanding the combined Portland and Deering Battalions; Major Robert Smith, commanding the Deering Battalion; Captain Sherman Irving, Lieutenant Robert Cram, Royal Watson and Glendon Morrell, staff officers; Captain Clark Chapman, Jr., commanding Company "A"; 1st Lieutenant Leonard Hunt, 2nd Lieutenant Clinton Lunt and 1st Sergeant Donald Bennett, with Company "A"; Captain Edward Jordan, commanding Company "D"; 1st Lieutenant Donald Leigh, 2nd Lieutenant Richard Valladares, and 1st Sergeant Donald Haskell, with Company "D."

The entire work of the Cadets is supervised by Captain Karl V. Palmer, of the 240th Coast Artillery. He is indeed a fine instructor and is largely responsible for the success of our companies in the past few years.

"COME OUT OF THE KITCHEN"

THE Senior Class Play, "Come Out of the Kitchen," by A. E. Thomas, was presented April 12th, in the Deering High School Auditorium.

Members of the cast were:

Elizabeth Dangerfield, Alias Aramenta	Ruth Stevens
Paul Dangerfield, Alias Smithfield	Neil Hamilton
Charles Dangerfield, Alias Brendlebury	Arthur Bonney, Jr.
Olivia Dangerfield, Alias Jane Ellen	Doris Baker
Amanda, Olivia's Black Mammy	Virginia Dyer
Randolph Weeks, Agent of the Dangerfields	Harry Jackson
Burton Crane, from the North	Lowell Hardy
Mrs. Falkner, Tucker's Sister	Phyllis Meehan
Cora Falkner, Her Daughter	Martha Geer
Solan Tucker, Crane's Attorney and Guest	Clark Chapman, Jr.
Thomas Lefferts, Statistician	Kenneth McKinery

The staff of the play was: Elizabeth Farrington, Business Manager; Nelson Perry and Robert Adams, Assistants; Florence French, Beatrice Pennell, Katherine Davis, Property Managers; Dorothy Dunn and Elizabeth Akers, Stage Assistants; Florence Evans, Head Usher; Lorna Mortensen, Caroline Adams, Florence Hodgkins, Marie Mardin, Katherine Moulton, Virginia Pennell, Dorothea Perry, Reta Robinson, Emily Scanlon and Ruth Stubbs, Ushers. Music by the Deering High School Band, directed by Frank O. Stack.

"Come Out of the Kitchen" is a story of a southern family in financial difficulties. The young Dangerfields, with the help of Randolph Weeks, decided to lease their southern home to a Northerner, Mr. Crane, who decides to take it provided that they have white servants.

Complications arise when the servants from Washington refuse to come, so the young people have to take their places as domestics.

Mr. Crane arrives with Mrs. Falkner, her daughter, Cora; and her brother, Solan Tucker, as a guest. Another unexpected guest is Mr. Lefferts, Cora's friend, who is hated by Mrs. Falkner.

"A three-day riot" followed. All the male members of the visiting guests made frequent excursions to the kitchen to "help" the cook, even Amanda, the black mammy, whom Olivia has forbidden to come to the home while the guests are there.

All the characters were well suited to their parts, which they portrayed with great ability.

The play as a whole was a decided success.

TEN LITTLE SENIORS

Ten little seniors
Looking mighty fine,
"Essay's due," said Miss Tilton—
Then there were nine.

Nine little seniors
Enter class late,
"Tardy slips," said Mr. Hall—
Then there were eight.

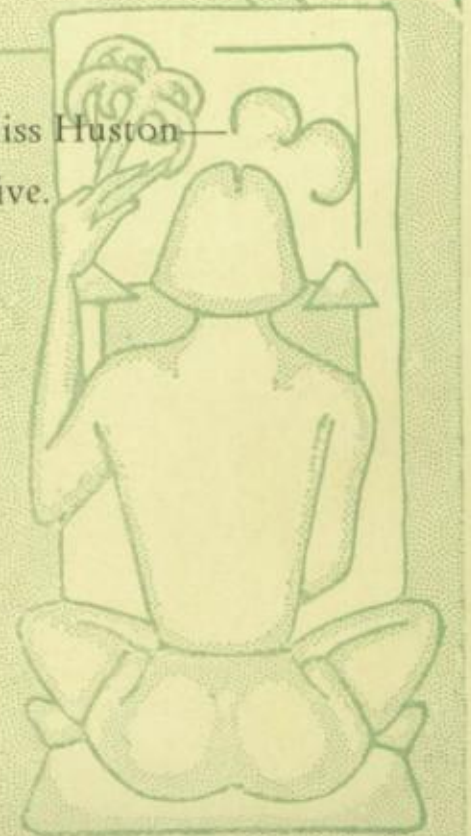

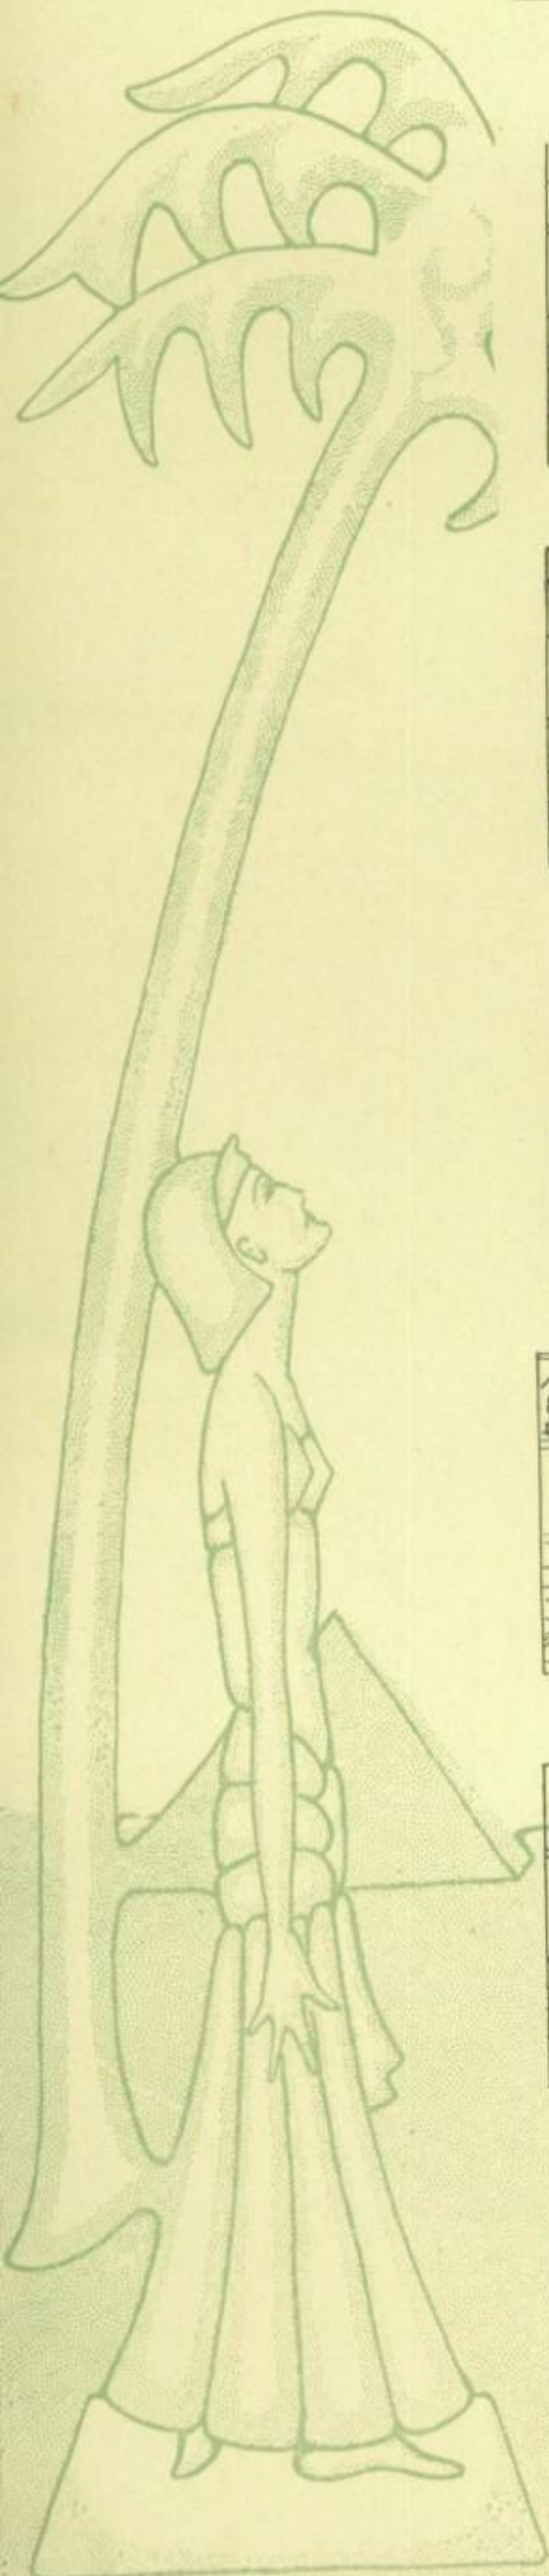

Eight little seniors
Thinking of Spring and Heaven,
"State and prove," said Miss Farnum—
Then there were seven.

Seven little seniors
In a bad fix,
"Notebooks due," said Mr. Harvell—
Then there were six.

Six little seniors
Very much alive,
"Conjugate," said Miss Huston—
Then there were five.

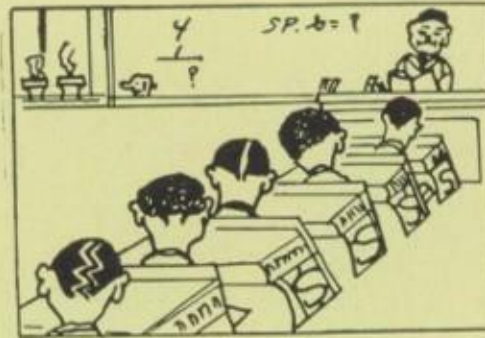

Five little seniors

Looking thin and poor,

"Where are your maps?" asked Mr. Morgridge—

Then there were four.

Four little seniors

Joyfully planning a spree,

"No holiday," said Mr. Wing—

Then there were three.

Three little seniors

With not a thing to do,

"Get busy, now," said Mr. Bean—

Then there were two.

Two little seniors

Were caught while on the run.

"No hurry, now," said Mr. Linscott—

Then there was one.

One little senior

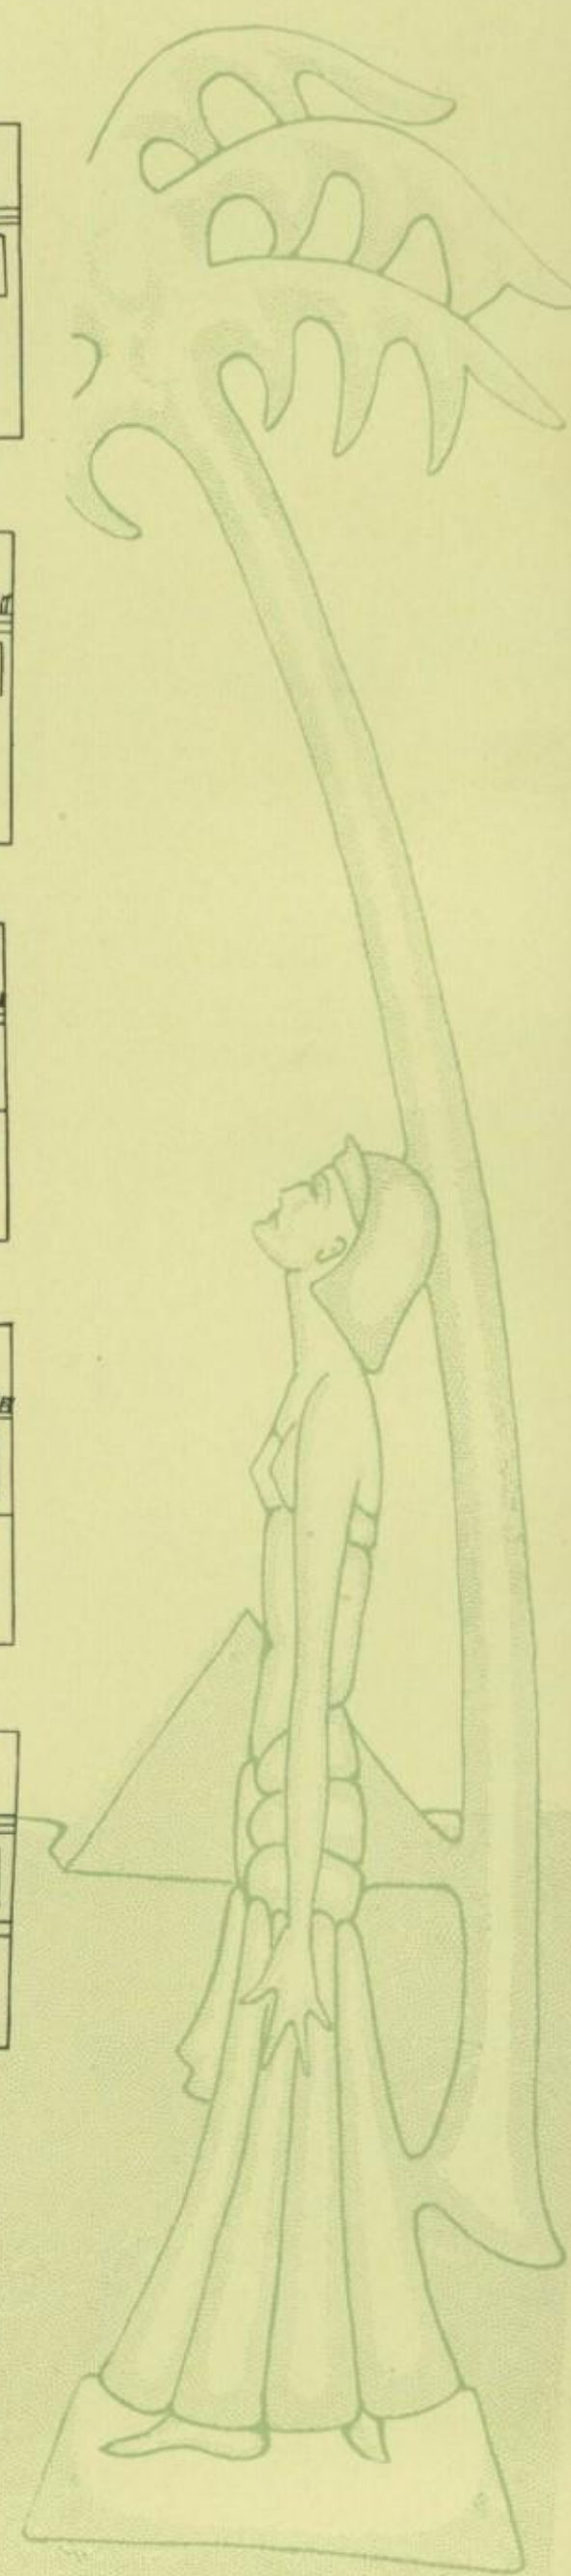

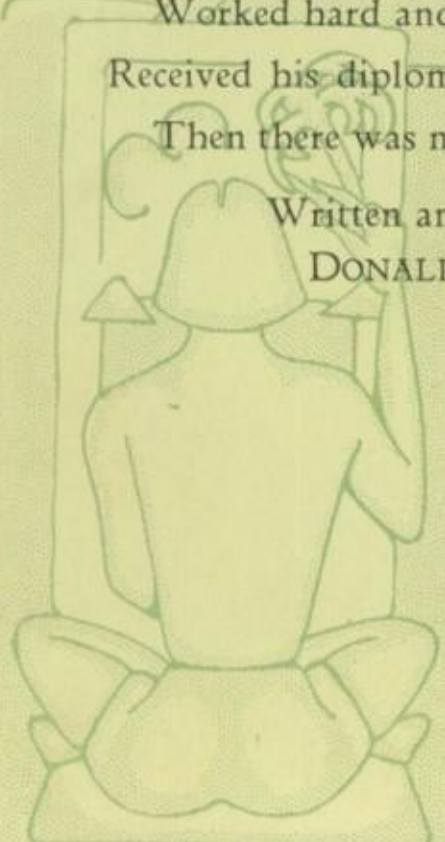

Worked hard and honors won,

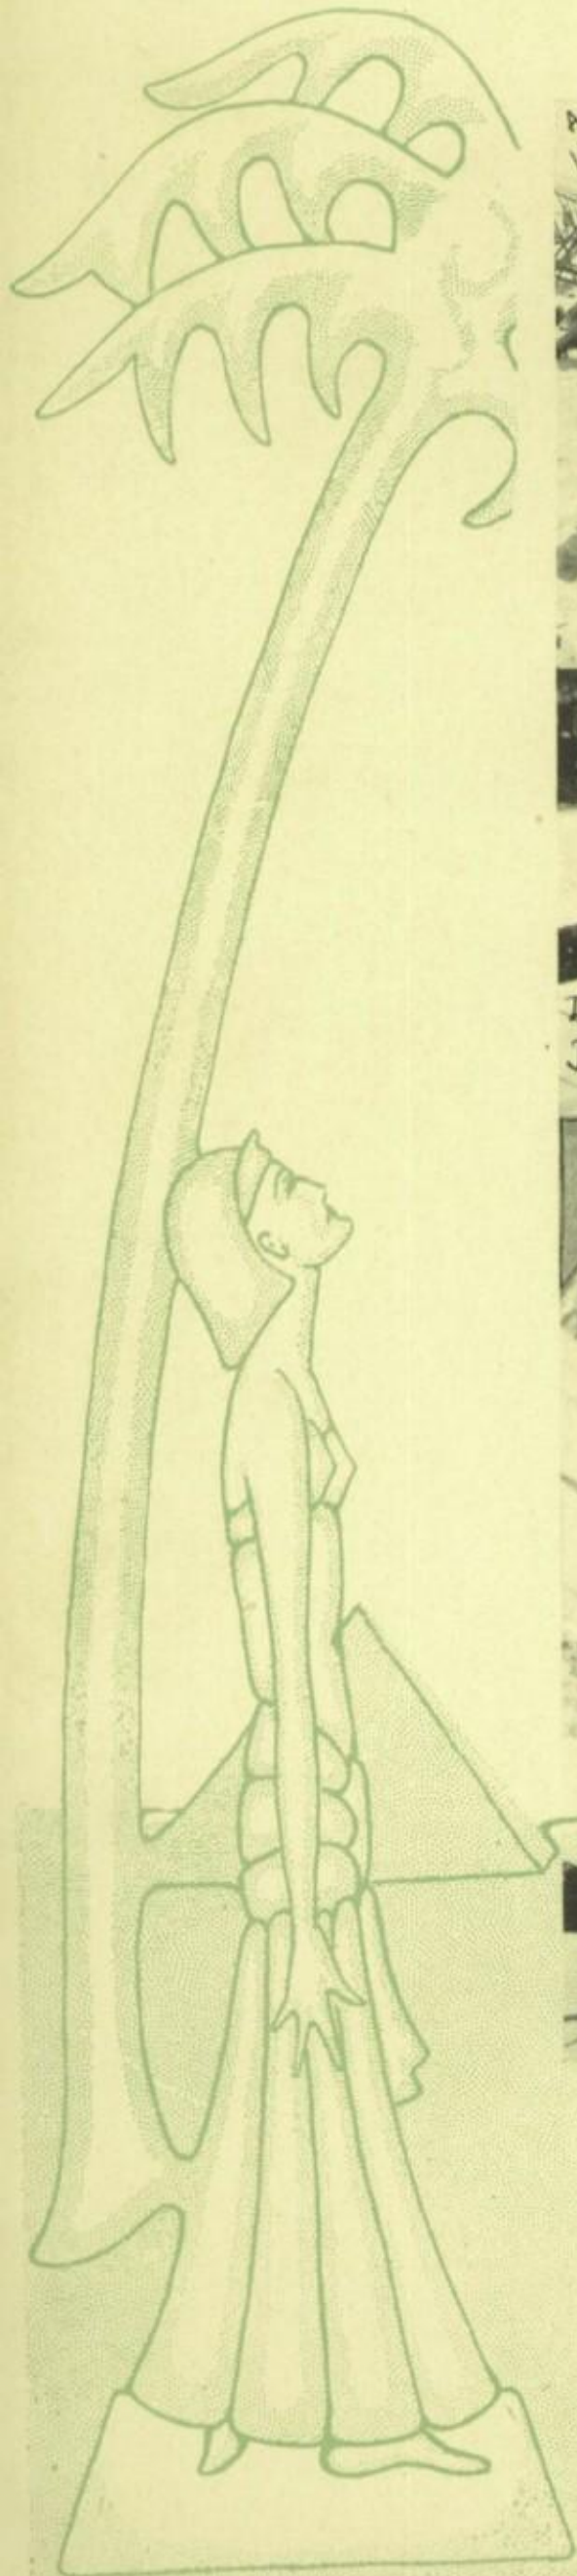

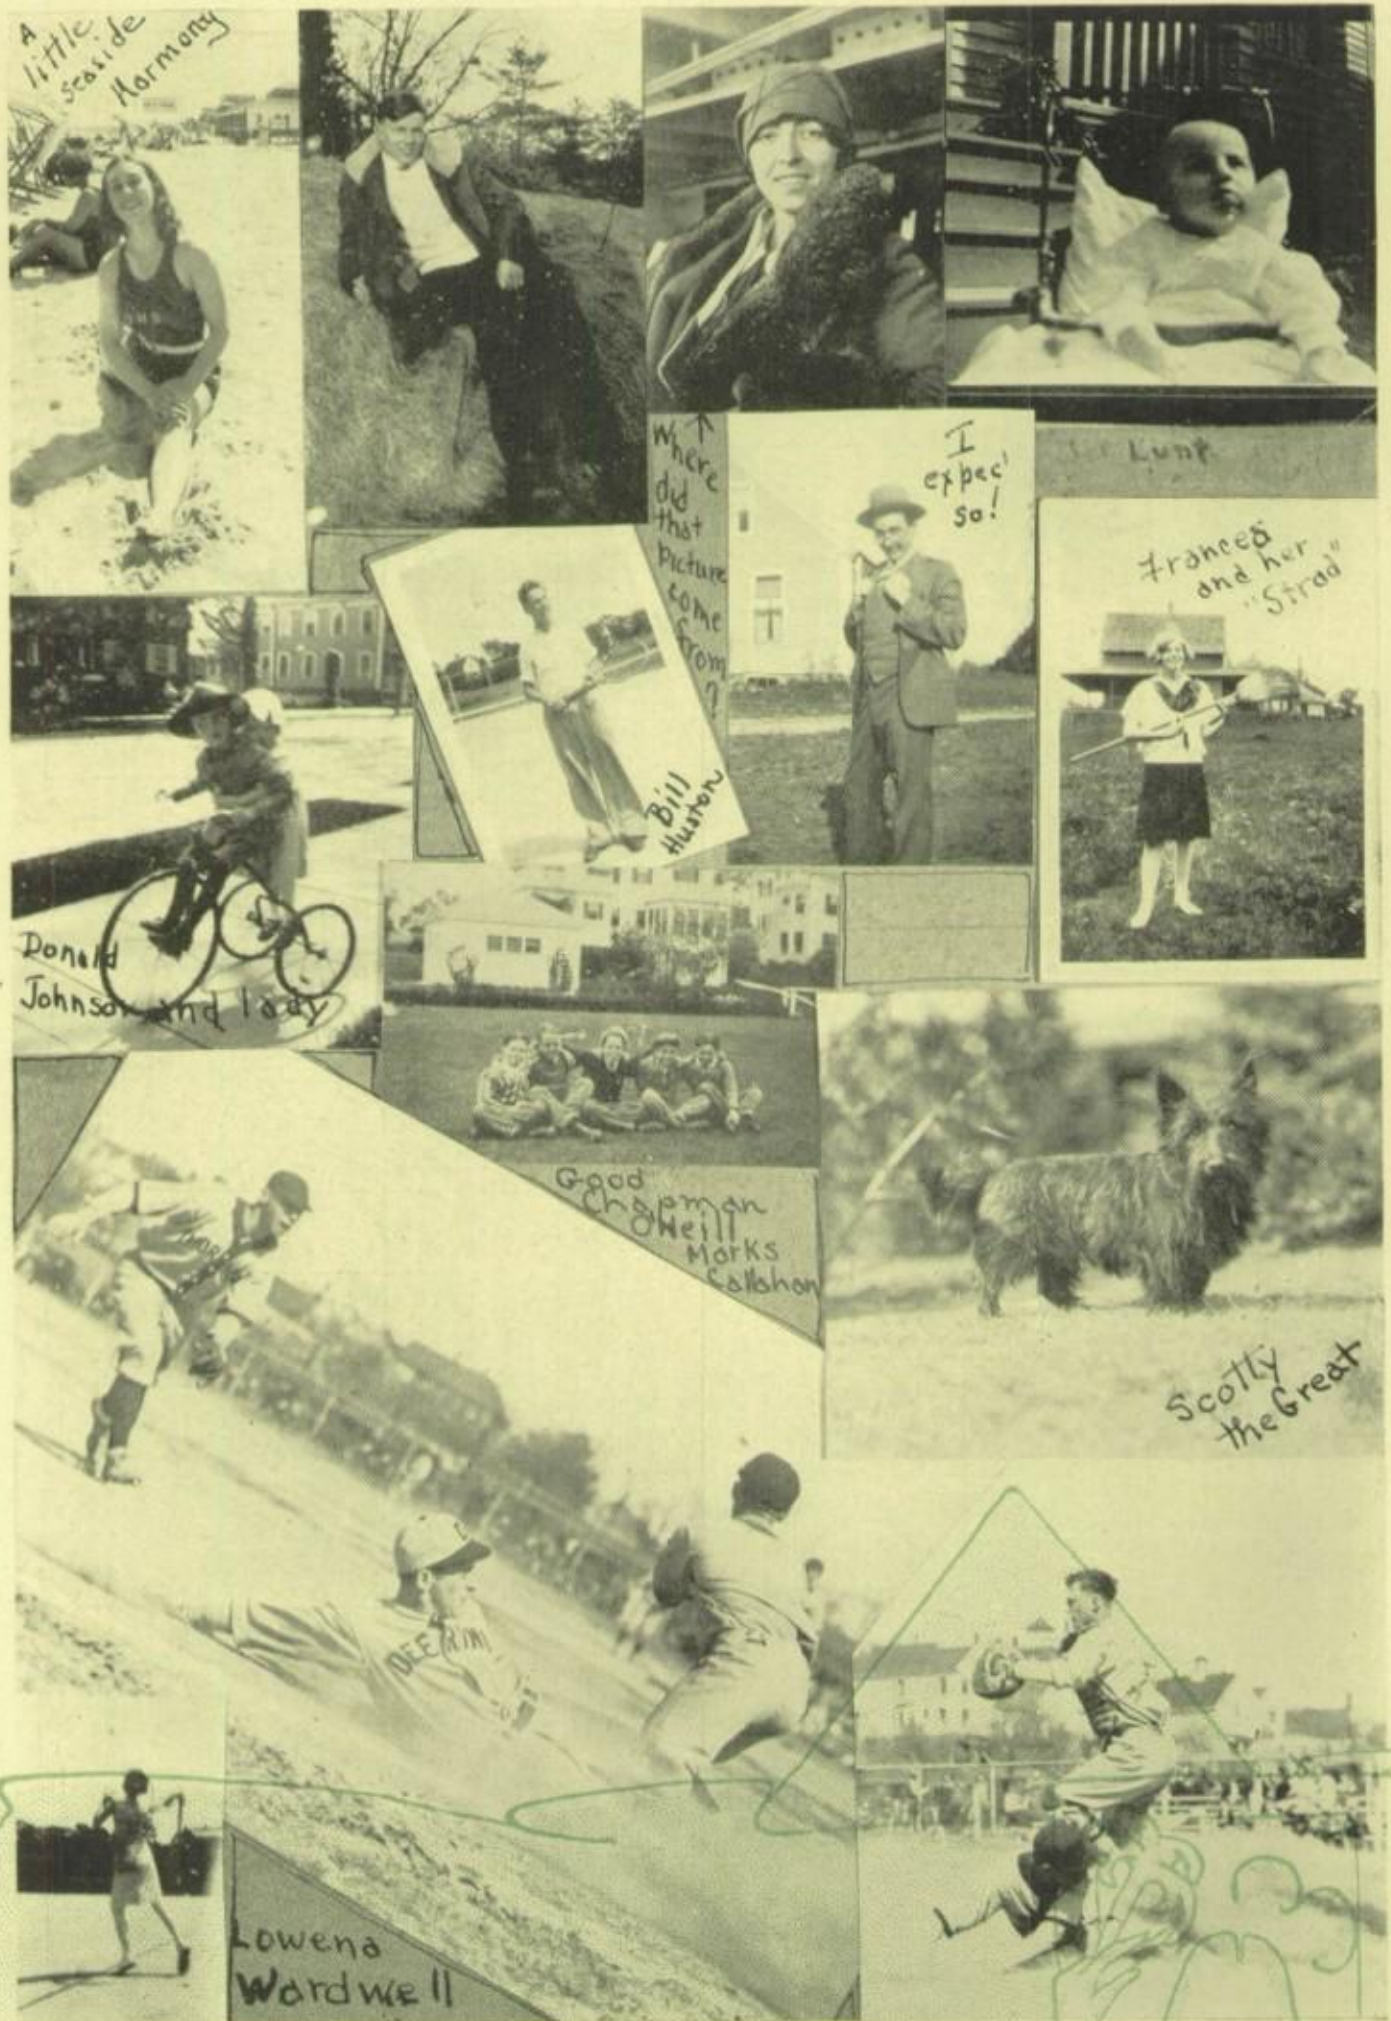

Received his diploma—

Then there was none.

IT PAYS ALL-WAYS!

A DEPENDABLE STORE SINCE 1865

Founded upon sound principles the Eastman business has been building solidly for more than half a century---and justifies the faith in the Eastman code, which may be stated as follows:

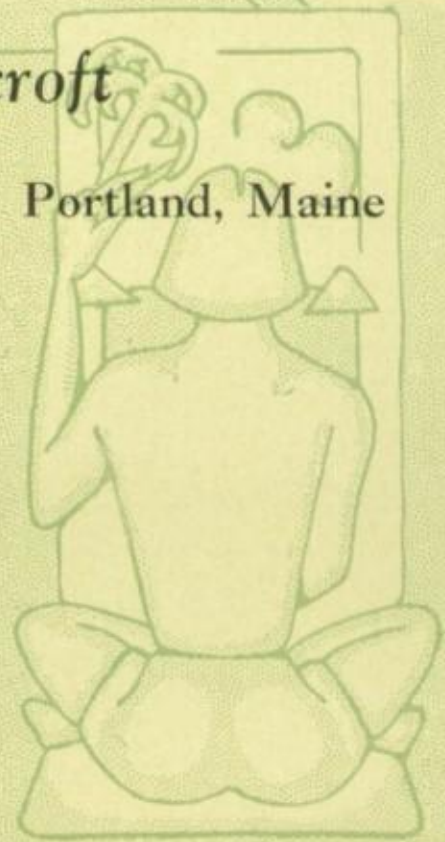

- - To distribute merchandise with the least possible expense and always at the lowest prices is a duty.
- - Only good merchandise is really economical, while that of doubtful or inferior quality is extravagant at any price.

- - Good service is recognized by what it does rather than by what we say about it.
- - Success in great measure depends upon a loyal staff of co-workers with each one of whom the good name of "Eastman's" is a matter of personal pride and honor.
